Switzenbaum & Associates Honored with 2024 SatisFacts Resident Satisfaction Award

All properties recognized for excellence in resident satisfaction and service

Philadelphia, Pa., March 14th, 2025 – Switzenbaum & Associates is proud to announce that all properties under its management have been awarded the 2024 SatisFacts Resident Satisfaction Award. This recognition is a testament to the company's continued commitment to providing exceptional living experience and maintaining the highest standards of resident satisfaction.

The SatisFacts Resident Satisfaction Award is one of the most respected accolades in the property management industry, based on direct resident feedback collected through surveys on key aspects such as customer service, maintenance response, and overall living experience. Achieving this honor across all properties demonstrates Switzenbaum & Associates' dedication to resident care, community engagement, and high-quality property management.

With a strong presence across Delaware, New Jersey, and North Carolina, Switzenbaum & Associates manages over 2,000 apartment homes in premier communities, including Tyvola Centre in Charlotte, NC, Sycamore at Christenbury in Concord, NC, School Bell Apartments in Bear, DE, and other properties. These properties are designed with resident satisfaction in mind, offering comfortable living spaces, modern amenities, and a strong sense of community.

This recognition reinforces Switzenbaum & Associates' mission to continually enhance its services, ensuring that all residents enjoy a superior quality of life. The company remains committed to fostering thriving communities by prioritizing resident needs, maintaining well-appointed properties, and delivering outstanding customer service.

Switzenbaum & Associates is grateful to its residents for their trust and feedback, which help shape the company's efforts to exceed expectations. The team looks forward to continuing its legacy of excellence and creating positive, memorable living experiences for all residents.
